CALVARY DAY OF SERVICE
DETAILS AND SIGN UP IN THE CALLER!

I have had numerous conversations about Calvary's next intern with our ELCA seminaries over these last eight months. The numbers in seminary are extremely low and with the rise of distant learning opportunities, many of the students in seminary currently, are restricted in location for their internship. I have made many allies in contextual education departments through these conversations and I trust that they are working hard to send an intern to us in future years. They are thoroughly impressed with Calvary's rich intern history and what we can offer to help train future leaders of the church. Our work is well appreciated and valued. So let's keep it up! While we will not be getting an ELCA intern this fall, I am confident that we will get one as soon as they are available. For this next year, I am working with Brite Divinity School at TCU and we are highlighting our available opportunities for students there, on a part time basis. Calvary already experienced working with Brite when we hosted Intern Meredyth Johnson in 2018-2019. I'm hopeful a student at Brite might be interested in learning and growing with Calvary. In the meantime, Calvary will absolutely continue to function with all our ministries as normal. Please know how much I value the Internship ministry and your part vital part in it. Thanks for your patience and understanding as we navigate these new and unusual days in theological education.

Council Corner

Calvary family,

I am pleased to introduce myself as your representative to the Church Council for Social Ministry. I serve as the liaison between the Social Ministry leaders and the Council. Our hope is that we can continue to stimulate and coordinate volunteer action in the area of Social Service both in our congregation and in our community. Calvary's Social Ministries are really where "God's Heart, Human Hands" are getting out to serve our community.

Calvary's Social Ministry gives opportunities to serve many of these vulnerable people in our community and throughout the World. Room In The Inn, Serving Our Seniors (SOS), Kairos Prison Ministry, North East Emergency Distribution (NEED), Women in the ELCA (WELCA), Presbyterian Night Shelter, Meals on Wheels and Drew's Water Drive are current Calvary Social Ministries that our members are volunteering for and shining God's Light.

Calvary's Social Ministry Fair is coming this fall. Please be on the lookout for more information. The ministry committees will have booths and volunteers there to answer any questions. They will also be able to provide any information about how you can help be the "Human Hands" of our community.

All of these ministries could benefit from your Time, Talent and Treasures to help meet the needs of our community. If you feel called to help fill these needs, know that your contributions would be greatly appreciated and would make a big impact in our community.

Working to Serve Calvary,

Bruce Kime
Social Ministry Chair

Let's beat the heat with **Drew's 11th annual Water Drive.**

\$6,500 has been collected toward Goal!

Texas summer and the grueling heat is here! Now imagine you're in that heat and do not have easy access to water. Let's help our friends on East Lancaster beat the heat with Drew's 11th annual Water Drive. Drew began his water drive in 2015 when he turned 8, and he would love your support in helping his friends experiencing homelessness in Fort Worth again this summer. Drew's 2025 goal is to collect \$8,000 and currently \$6,500 has been collected. Water can be dropped off in the narthex or monetary donations can be made through Calvary (indicate water drive) or the website [by clicking here.](#)

THANK YOU!

for helping hydrate those who are homeless during the hot Texas summer.

We need you !!

The Altar Guild plays an important role every Sunday preparing the altar for worship and assembling the elements for Communion.

We also gather at other times to decorate the Sanctuary for special festivals like Easter and Christmas. If you are looking for a way to serve, we would love for you to help - and we are happy to teach you. Volunteers serve one Sunday, several Sundays or more, whatever fits your schedule.

Training can be on-the-job or we will gather together as needed. Presently, we need the most help at the 8am service but would love to have extra hands anytime.

If you want to know more please reach out to
Carrie Egan 817-412-8938 or

Many thanks for considering this important ministry! -Carrie

Via de Cristo—August 14-17

Come and See what Via de Cristo is really all about. You've heard a lot of Spanish-sounding words, talks and small groups, but to really understand it, you need to experience it. There's more food than you can eat, great activities and new friends.

Listen to some of the comments from those who have attended a weekend:

- "Via de Cristo is an opportunity to rekindle your love for God and recognize how very much God loves you. The 3-day weekend will renew your faith and provide to you tools for a lifetime of spiritual growth."
- Debbie T
- "A Via de Cristo weekend is like tasting God's love for the first time." - Barb G
- "I was amazed by the feeling of love and God's spirit that permeated the weekend. I learned so much about walking closer with God. It changed my entire way of being a Christian."
- Sue B

We work with teams of teachers on each grade level so you can share the work load. If you would like to talk more about this important ministry at Calvary please contact Janelle, Kathy Davidson or a pastor. (contact info on pg 2)

For many years, Calvary Lutheran., along with various other church organizations has supported NEED, (Northeast Emergency District) with ongoing financial and volunteer help. NEED has been supporting the food-insecure population of Haltom City and the HEB area for over 40 years. Over 5,000 people take advantage of this help every year (#s are significantly higher so far this year with mid-year #s at almost 4,000).

In addition, clients may have their energy bill paid once a year through a grant offered by TXU.

Calvary Lutheran has about a dozen volunteers actively involved with NEED. These volunteers stock and sort food and prepare the food carts that are given to the clients. Their dedication is greatly appreciated.

Thank you to our adults (*) for all of the things! Your compassion, patience, sense of humor and willingness to jump in, all while sharing your knowledge with teenagers, made the week fun and successful! Thank you!

Excerpts from the Sermons about the Mission Trip

Our gifts are all different and we are called to use whatever we have. I think we are also called to embrace other people's gifts. We had a lot of different projects this week and we completed them with whatever talents we brought to this trip and other projects were completed because someone else had a gift and taught it to us. -Anna

The aspect of this (laundry) operation that I appreciated the most was that every bundle of folded linen that was packaged, was signed by whoever put it together on the packaging. Saying, this is a piece of me, I did this. Like how God signs his name on us at baptism so that we can be Christlike, and disciples. -Jack

Let us continue to find and create peaceful places for us to have our holy time. -Marley

The other part of our theme verse that stood out to me was that we should serve others as faithful stewards of God's grace. Grace is all of the things God gives us. God brought us to Shreveport with the skills we have within us. When the principal of the school saw the completed projects, she was overcome with emotions. We celebrated the gift of God's grace by sharing our gifts with others. -Anna

After a few days of pouring ourselves into the space we were given, and making every detail satisfactory as if it was our own. We signed our name on our finished product. We put our signature on it so they can continue to put their signature on what they enjoy, and continue to grow with caring, love and opportunity. – Jack

The Calvary youth group has been my place, and the lounge will be the teacher's place. A place to relax, a place to escape, a place to call their own. It is so special to me that I was granted the opportunity to create that for others, as it has been created for me. -Marley

We were worshiping by the pool when an older couple joined us in singing and even in communion. It was such a great moment to share God's love. When we receive God's grace and then share it with others it becomes a big circle where everyone feels valued. -Anna

Reflecting on the week, as well as my other experiences with Calvary, I wouldn't want to have it any other way. Like how the clients at Frost find comfort and belonging in that community, my community is at Calvary. I'm so grateful to be a part of this congregation and to be surrounded by such great people in the youth group. -Jack

After our nightly devotion in the sanctuary, we were sent to bed. We were all tired and lacked energy, but as we walked back to our air mattresses, we hooked a right into the kitchen and began to sing a bunch of songs extremely loud and entirely off key, but the lack of tune didn't matter because the passion was there. It was in that moment that it hit me that I was going to miss this, the way one friend starts to sing and suddenly guitars come out and dancing fills the room because it's just what we need. When Janelle walked over, she smiled and began to sing the final verse of Holy Time with us. She knew that this was our holy time, that we needed that moment of peace within each other to feel fulfilled to go to bed. When the last lyric was sung and the guitar faded out, Janelle kissed each of us on the forehead and sent us to bed. I felt a strong sense of peace that night when I laid my head down, knowing that I had a place I belonged and friends that would sing together at 11 o'clock because it just makes sense to us, and a youth director that would allow it to continue, even if you have a long work day the next day. -Marley

THANK YOU PARENTS FOR BRINGING YOUR CHILDREN TO WORSHIP!

Children learn best to worship by worshipping.

While worshipping with children can sometimes be challenging for parents, participating in congregational worship is a vital part of a child's spiritual formation.

Importantly, children see that worship matters to you and they learn much from observing how people of all ages worship God. Don't underestimate the value of having your children worship alongside you!

We see you, moms, dad and grandparents and we are glad you are in worship with your children, with their wiggles, joyful noises and all!

"As a community of women created in the image of God, called to discipleship in Jesus Christ, and empowered by the Holy Spirit, we commit ourselves to grow in faith, affirm our gifts, support one another in our callings, engage in ministry and action, and promote healing and wholeness in the church, the society, and the world."

Save the Date! New Day! New Time! New Place!

WELCA will be holding their fall planning meeting on Sunday, September 14, at 10:45am in the Fellowship Hall. Hope you can join us as we finalize our calendar and budget for the coming year. ALL women are welcome to join.!

**HELP CONTINUE TO MAKE A POSITIVE
IMPACT ON CHILDREN'S LIVES!**

The Church Mouse

Wow! July has been a busy month. Momma says Calvary talks about God's Heart and Human Hands. I was not sure how that could work, but Momma says that God's love lives in our hearts and it makes our hands move to help other people. Our mouse paws help people and critters too!

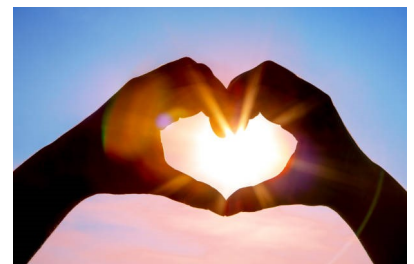

There was lots of God's Heart through Human Hands this month, starting on July 1 when the Room in the Inn volunteers spent the day getting ready for our friends that don't have a place to live. They made beds, set out towels, stocked the bathrooms with toiletries, prepared dinner and set the tables, made snacks and stocked the fridge with drinks and ice cream. In case you do not know what this all means, let me tell you! We have a team that opens Calvary's doors to ten homeless men on Tuesday nights in July & August (the hottest months) and January & February (the coldest months). They pick our guests up from the Tru Worth Center in Ft. Worth and they get to hang out at Calvary and have snacks, take showers, get some new clothes, eat dinner, hang out and then have a safe place to sleep where they know that their belongings and themselves will be safe. The innkeepers and Daddy stay overnight with our guests to make sure they have everything they need. In the morning they get breakfast and a bus pass before they load up and we take them back to the Tru Worth Center.

The Calvary big kids went on a Mission Trip this summer — it is nothing like the movie Mission Impossible, but it still sounds cool! So, a mission trip is where you celebrated God's Heart, Human Hands as you help neighbors. Mommas went this year to check it out since I will be old enough to go soon! The teenagers led worship, built things, painted, and made things beautiful and functional, which Momma said was good. They apparently track through paint like me and had to spend time cleaning the floors. Whew, it is good to know I am not the only one!

Momma said what was special to watch was how the kids treated the people in Shreveport and each other. She teared up telling Daddy how they joked around, but they all helped each other, taught each other things they knew and how kind they were to the people they met, especially the ones that were different than them. (Do not be alarmed by the tears part. I have learned that my momma sheds more tears when she is happy than sad) She said that all of the mommas of these kids would be so proud! All I have to say is Thank You big kids, because momma will DEFINITELY let me go on mission trip when I am a big kid!

Lot's of people at church are God's Heart as they fix things at church or for a neighbor, give rides to people, prepare & deliver meals and visit with people. Momma says God's heart beats through the ordinary things that we all do. There is a constant, familiar rhythm to the heartbeat of loving your neighbor.

Love, Walter
