Celebrating 70 Years of Mission and Ministry!

On Sunday, November 1, we will continue our celebration of 70 years of mission and ministry at Calvary Lutheran Church. As we gather to mark All Saints Sunday, we'll remember the saints past and present who have seen us through—from our humble beginnings to major building projects, from worshipping in intimate settings to services where there weren't enough seats—and consistently raised up leaders and disciples and sent them into the world.

It is our prayer and hope that the same spirit of faithfulness, trust, and generosity that has brought us this far will carry us into the next 70 years and beyond. You make Calvary Lutheran Church what it is today, and your commitment helps ensure its future for generations to come. On All Saints Sunday, we will offer our pledges for the sake of saints past, present, and future. Together, our prayers and hopes will join those of the great cloud of witnesses as we commit our pledges to God with joy and thanksgiving.

COUNCIL CORNER - FINANCE

Calvary Lutheran Church is celebrating 70 years of ministry! What a cause for celebration! And, what an honor it has been to be a part of this community of faith.

Words often used to describe Calvary include welcoming, spirit-filled and outreach-focused. I also believe Calvary is a fiscally responsible congregation. The Finance Committee plays a pivotal role in achieving fiscal responsibility as it strives for the following:

- Responsible stewardship of the resources God has given Calvary
- Alignment of budgeting and spending with Calvary's mission
- Transparency of Calvary's financial practices and reporting

I am exceedingly thankful for the committee members who devote their time and effort to this ministry. The financial knowledge and experience of the committee is outstanding. The dedication of the committee is steadfast. It is a tremendous committee!

Welcome to four new members who joined the Finance Committee in September: Ed Baker, Marilyn McRoberts, Nancy Medina and Tammy Tyrone. Existing members include Don Acker, Mike Kammerdiener, Debra Machos and Rick Miller. If you have any questions, feel free to reach out to any member.

Calvary's year-to-date financial results through September 2026 are healthy. Actual offerings are at 98% of budget and expenses are at 96% of budget. This translates to a net positive (income exceeding expenses), when compared to budget, of approximately $16,000 as of 9/30/26. The September building mortgage balance of $767,070 continues to decline faster than planned due to member contributions and budget surplus allocations. We are indeed a blessed congregation!

Thank you to each and every one of you for your contributions of time, talent and treasure to Calvary. You are an essential part of the Calvary family!

In Jesus' Name,
Mary Keller

STEPHEN MINISTRY

The holidays are approaching and as people are celebrating, it can be a difficult time for those who are grieving. We have Stephen Ministers available to offer support through the holidays and after.

A Stephen Minister is an individual trained to provide confidential, one-to-one Christian care, offering emotional and spiritual support for people going through difficult life situations. A Care Receiver is an individual experiencing a crisis or life difficulty. Through a prayerful and confidential process, each Care Receiver is paired with a Stephen Minister, who then meets regularly with the Care Receiver to listen, offer emotional and spiritual support, and walk alongside them through a difficult time without trying to fix the situation. Assignments are strictly confidential, with only the Care Coordinator, Pr. Kyle Rouze and Stephen Minister knowing about the assignment. Assignments last as long as the Care Receiver wants or needs support.

If you have questions or would like more information, please contact Debbie Thomas at 817-676-4638, Sharon Dobbs at 817-988-6302, Don Holmes at 817-933-8946, or Juan Grimaldo at 317-908-9455.

BLESSING OF THE QUILTS

On October 11, at all three services, we prayed over the quilts lovingly made by Calvary's quilting group before they were sent through Lutheran World Relief to bring warmth and comfort to families around the world.
Thank you, Calvary Quilters, for your beautiful and loving handiwork!

CALVARY'S SELF-CARE FOR CAREGIVERS

Calvary's Self-Care for Caregivers is for members caring for a loved one with chronic health challenges. We gather monthly to enjoy fellowship, education and the opportunity to connect with ourselves, which our merciful God first gave us, in order to leave feeling nourished, empowered and energized. For more information, contact Debra Machos at 817-980-2117 or debra.machos@usa.net.

November is National Family Caregivers Month in the United States. It is observed to call attention to the hard work of more than 50 million family caregivers across the country. It is a time to show support and to honor our nation's vital caregivers, many of whom are caregiving "around the clock". That means around-the-clock dedication, organization, responsibility, scheduling, and hands-on care. The movement was initiated in 1994 by the Caregiver Action Network (then known as the National Family Caregivers Association), and officially recognized by presidential proclamation starting in 1997.

Calvary's office will be closed Thursday, November 26 and Friday, November 27

Book Study
January 2027

The Gift of Years

Aging is not an option, it happens to all of us; however, we can decide how we will age. If you have been struggling with questions and doubts about aging, you are not alone.

In January, we will begin a group study based on the book, *The Gift of Years*, written by Joan Chittister. It is not necessary to purchase the book to participate. To allow time for discussion and sharing, enrollment will be limited. A sign-up will open the first week of January. Please watch the green sheet for more information. Meetings will be held on Thursdays from 10:00am to 11:00am in the Library.

From the cover of the book: "*The Gift of Years* reflects on many aspects of aging, the purposes and concerns, the struggles and surprises, the potential and joys. It is a panoply of central issues that emerge with age to bring us to the fullness of life. And perhaps the most important dimension of older age, Joan Chittister illuminates, is to become aware of its profound purpose: These are the capstone years, the time in which a whole new life is in the making again. The gift of these years is not merely being alive, it is the gift of becoming more fully alive than ever."

If you think this book may be for you, we hope you will consider joining us in January.

Women of the ELCA

During the month of November, you'll find Thankoffering envelopes in the blue attendance binders. Please consider donating to support our many projects, some listed below, through this fundraising effort.

May you be blessed this Thanksgiving season!

PLEASE STILL COME TO CHURCH

The Episcopal Church of Saint Mary, Falmouth, ME
October 3 at 1:00 PM ·

Many churches are posting this and we wholeheartedly endorse this message!

Friends, please be aware of our policy regarding children in church:
If your kids are loud, please still come to church.
If you're running late because getting everyone out the door was a battle, please still come to church.
If your toddler won't sit still, please still come to church.
If your baby needs to eat, please still come to church.
If your child asks questions at the least convenient time, please still come to church.
If someone cries, drops a toy, needs a snack, or has to make their third trip to the bathroom, please still come to church.
If your child doesn't know all the words, all the prayers, or exactly when to sit and stand, please still come to church.
If you feel like you spent the entire service managing your children and heard approximately 12% of the sermon, please still come to church.
If Sunday morning feels messy instead of peaceful, please still come to church.
If you're worried your children are distracting the people around you, please still come to church.
Because children do not learn how to be part of the Church by staying home until they can sit quietly.
If your child has a disability, please still come to church.
They learn by being here.
They learn the hymns by hearing us sing them.
They learn the prayers by hearing us pray them.
They learn to worship by watching us worship.
They learn that church is home because we make room for them here.
The wiggles, whispers, dropped crayons, crying babies, and little voices are not interruptions to the life of the Church.
They are evidence that the Church is alive.
So bring the babies. Bring the toddlers. Bring the big kids. Come late. Sit in the back. Sit in the front. Step out when you need to and come right back in.
Just come.
Children are not simply the future of the Church. They are part of the Church right now.
Thanks to the many different churches sharing this online right now.

TRIVIA & TALENT NIGHT!

Saturday, February 20

Can you get a ticket already?
Yes, yes you can!

This summer, 32 of Calvary's high school youth will join thousands of Lutheran teenagers from across the country in Minneapolis, MN for the 2027 ELCA Youth Gathering!

The theme, "Imagine More," is inspired by Ephesians 3:20: "To God—whose power now at work in us can do immeasurably more than we ask or imagine."

Through powerful worship, meaningful service, new friendships, and faith-filled experiences, our youth will be challenged to imagine more love, more welcome, more grace, more joy, and more courage in their lives and in the world. We invite our Calvary family to support and pray for our youth as they prepare for this incredible journey, trusting that God can do more through them than they could ever imagine!

The Church Mouse

WHOA! What a month at Calvary! Momma says I need to slow down and catch my breath, but that is hard with so much happening around here!

First of all, I almost went on an International Mission Trip! The quilting ladies brought their beautiful quilts to worship to be blessed before packing them up to send around the world through Lutheran World Relief. Then the quilts were packed into boxes for Lutheran World Relief, and you know how I feel about boxes. I only climbed into one for a second. (Okay, three seconds.) Momma got me out before the lid was taped, because I am not allowed to go around the world yet. I did say a little prayer for the people who get our quilts.

Some of our local college-aged College & Career students have a new Tuesday tradition. They gather at Janelle's house for dinner and Bible study! I have not been allowed to attend (Janelle's dog is very friendly, but he is very big and I am very small, and Momma says "friendly" is not the same as "safe for mice"), but I hear the laughing from here. Eight even went to the first Young Adult Retreat at Camp Chrysalis! I wanted to go because Chrysalis is my favorite camp, and I told Momma I am practically a young adult. She said I am 100% a young mouse! I heard Janelle say that if people know of big kids in the area, they should tell them about it, or give her their email and phone number!

Have you noticed things are brighter around Calvary? Mike rented a huge machine that lifts people way up to change light bulbs in the Family Life Center and Sanctuary. Momma says some of those bulbs have been up there longer than I have been alive! Now everything is so bright that I can see my own whiskers from across the room. I appreciate the guys taking care of God's house, even if they don't leave crumbs!

Club 456 has been busy too! They made Boo Bags for our homebound friends. I thought they were trying to scare people, but they were sharing treats and love! I wanted to deliver them, but Momma said mice should not deliver bags (something about people screaming).

And finally, HAPPY BIRTHDAY CALVARY!!! 70 years of ministry! Pastor Phil even came back to preach! I hoped he might make breakfast like he used to, but I guess preaching was his job that day. Momma got teary-eyed (you know how she is). She said that for 70 years, people have gathered here to worship, learn, serve, and care for each other.

Seventy years ago, people were teaching kids about Jesus, feeding hungry people, and caring for their neighbors. And guess what? We are STILL doing those things! The people may be different, the light bulbs brighter, and the kids grown up, but God's love keeps going and going! Here's to another 70 years of God's love, laughter, and lots of crumbs!

Love,

Walter

(The celebration is continuing, so I will have more to report next month!)
